

Gregory Roderick Hatt Dob 28.11.1947

My first job in the Drinks Industry was: Barman at Atlantic Hotel, Isles of Scilly. This was Easter 1967 during the period of the MV 'Torrey Canyon', petrol tanker, & destruction by Royal Navy aircraft, when aground & breaking up.

Then as barman at, Star Castle, Isles of Scilly. When the summer season ended, my wife & I, became trainee managers for Courages Brewery, and the youngest Pub Licensee the brewery ever had. Re Fountain, Welyn Garden City

In 1993 we (my son & I) approached Shepherd Neame and they brewed our (up till then, imported) Chinese Ginseng Beer. In 5 years we were supplying 1800 uk restuarants, all uk market segment wholesalers and exporting to France, Portugal, Spain, Germany, Belguim & Holland.

The business was Licensed (their first customer) to Meantime Brewing in 2001 when I had business interests in Spain. By 2008 they had destroyed the business and the financial crisis was enough incentive for me to move back to uk and relaunch my Brand(s).

Since 1993, (24 years) I have worked with the following breweries:
Redruth, S&N, Federation, John Smiths, King & Barnes, MeanTime, Highwood, Dominion/Pitfield, Deverells, Billericay and Fallen Angel.

Which means considerable Production, Marketing & Sales experience & knowledge; that can now be used to Shareholders benefit.
